TABLE OF CONTENTS

|             | <i>Article</i>                                                                     |
|-------------|------------------------------------------------------------------------------------|
| Part One:   | Intellectual and Artistic Works                                                    |
| (A)         | Definition..... 1                                                                  |
| (B)         | Types of Intellectual and Artistic Works                                           |
| I.          | Works of Science and Literature ..... 2                                            |
| II.         | Works of Music..... 3                                                              |
| III.        | Works of Fine Art ..... 4                                                          |
| IV          | Works of Cinema ..... 5                                                            |
| (C)         | Adaptations ..... 6                                                                |
| (D)         | Publicized and Published Works ..... 7                                             |
| Part Two:   | Owner of the Work                                                                  |
| (A)         | Definition                                                                         |
| I.          | General..... 8                                                                     |
| II.         | More Than One Owner of Work ..... 9                                                |
| III.        | Unity Among the Owners of the Work ..... 10                                        |
| (B)         | Inferences on the Ownership of a Work                                              |
| I.          | In Works Where the Name of the Owner is Stated ..... 11                            |
| II.         | In Works Where the Name of the Owner is Not Stated. 12                             |
| Part Three: | Intellectual Rights                                                                |
| (A)         | Rights of the Owner of the Work                                                    |
| I.          | General..... 13                                                                    |
| II.         | Moral Rights                                                                       |
| 1.          | Authority to Present to the Public ..... 14                                        |
| 2.          | The Authority to State the Name..... 15                                            |
| 3.          | Prohibition of Changes on the Work..... 16                                         |
| 4.          | The Rights of the Owner of the Work Against the Possessor and the Owner..... 17    |
| 5.          | Exercise of the Rights                                                             |
| (a)         | General..... 18                                                                    |
| (b)         | Persons Who May Exercise the Rights ..... 19                                       |
| III.        | Financial Rights                                                                   |
| 1.          | General..... 20                                                                    |
| 2.          | Types                                                                              |
| (a)         | Right to Adapt..... 21                                                             |
| (b)         | Right to Duplicate ..... 22                                                        |
| (c)         | Right to Disseminate ..... 23                                                      |
| (d)         | Right to Perform ..... 24                                                          |
| (e)         | Right to Broadcast Through Radio..... 25                                           |
| 3.          | Periods                                                                            |
| (a)         | General..... 26                                                                    |
| (b)         | Continuation of the Periods..... 27                                                |
| (c)         | Protection Period for Translation into Turkish..... 28                             |
| (d)         | Periods for Handicrafts, Minor Works of Art, Photographic and Cinema Works..... 29 |
| (B)         | Limitations                                                                        |
| I.          | In Consideration of Public Order ..... 30                                          |
| II.         | In Consideration of General Interest                                               |
| 1.          | Legislation and Jurisprudence..... 31                                              |
